

nairn Consoles

Install a new, or upgrade your existing console.
Easy to use, easy to clean.

Are you:

- Constantly repairing your old console?
- Tired of being unable to read your console controls?

Nairn Consoles are designed and built to your specifications including:

- Weatherproof enclosure.
- Customisable labels.
- Speed dials, switches and buttons with boots.
- Internal heat pad to control condensation.

We can also offer:

- Labels to fit existing enclosures.
- Replacement switches, buttons, boots and mechs.
- Digital or analogue speed read out for platforms and transparent cover.

**Nairn Dairy Consoles from Nairn Electrical
- The Rural Electrical Specialists**

Nairn Electrical have been keeping the rural sector running and making farming happen since 1975. With a long track record of on-farm installation, servicing and upgrades, they not only have the electrical expertise, but understand local farms, their history and specific needs. With a 7 day a week breakdown service and a full range of preventative maintenance and productivity solutions they are the rural electrical specialists.
